Subject: Dual Citizen Public Hearing Concert Series

Dear St. Paul City/Council,

We own the building at 693 Raymond and have and will continue to support the concert series and events that Dual Citizen offers to the Raymond/University neighborhood. They are well organized and respectful of all the neighbors (business and citizens alike).

Please accept this email as our support for the Sound Level Variance Request that Dual citizen has requested for BOTH dates.

They are a great business and community citizen.

Martha and David Sewall
