City of St. Paul Council

Dear Sir/Madam,

Re: File #: **RES PH 21-158 Version 1**

My name is Oumer M Wako and I'm an Executive Director of Tawfiq Islamic Center. I'm writing regarding the case mentioned above which is scheduled for tomorrow's hearing. We have been through the same kind of process for the last 5+ years and have had no problem securing approval from the past council meetings. I hope the council will approve our request this time too, because the event is very important for our community and our community are law-abiding citizens who do not cause any problem for the neighborhood. Please, let me know if there is any question or demand regarding this matter.

Many thanks,

Oumer M Wako
Executive Director
