

## SUBJECT

### **BOARD RESOLUTION NO. 21-1000**

Pertaining to a Seventeenth Rider to Agreement with the Ramsey County Board of Commissioners to allow replacement of a culvert from Vadnais Park to Vadnais Lake.

## BACKGROUND INFORMATION

The Board approved a Contract Agreement with Ramsey County Board of Commissioners dated June 6, 1966, which provided permission for Ramsey County to enter upon Board premises to carry out necessary operations in respect of certain County improvements.

At this time, Ramsey County is preparing for the replacement of a culvert running underneath Vadnais Boulevard between Vadnais Park and Vadnais Lake as part of the Ramsey County 2021 Drainage Improvements Project. This replacement will improve stormwater drainage and help to mitigate flooding issues in Vadnais Park. Board staff has reviewed the plans and recommends approval.

The proposed Rider grants access and permission for this activity.

See attached Location Map and proposed Rider.

## RECOMMENDATION
