Dear Legislative Hearing Officer

Hello. First of all, thank you very much for writing to us so that we have the opportunity to express our opinions. My name is YunMa, I am a resident who lives at 1004 Lafond Ave. I and my family firmly against License number 20210000368, which is opening a car repair shop at 1033 Thomas Ave. The main reasons are as follows: 1. It is unfavorable to the environmental hygiene around the community; 2. It is bad for public security; 3. It is bad for the safety of traffic roads, especially the main road next to it, which is also a crossroad. Various insecurity factors affect the quiet life and safety of the surrounding residents; in summary, we are firmly opposed to the above!
My phone number is 612-356-0759

Sincerely
YunMa
