Subject: ZF #21-269-061-695 Grand CUP and variances
Date: Tuesday, July 13, 2021 10:25:48 PM

I oppose the 695 Grand CUP and variances application for 695 Grand Dixies.

I support development that complies with current zoning rules.

I'm a long time homeowner...769 Lincoln Ave. spent over 40 years as a city employee where we always reached out as public servants to see what the neighborhood wanted.

This neighborhood wants development but not a 5 story monster. Let's just follow the rules.

Thank you,
Bill Pesek
