Hello –

My name is Mark Williamson and I own a house at 693 Goodrich Avenue, very close to the proposed 695 Grand project site. I strongly oppose the 695 Grand rezoning, CUP and variances application. There should be no exception to the existing zoning requirements as a three story building on that site would be large enough as it is. Please do NOT approve the project as currently proposed and please do NOT grant any zoning variances.

I would be happy to speak with anyone about my concerns and can be reached at the number below.

Thanks,

Mark
