

Release of All Claims
File Number C200161

In sole consideration of the payment of **ten thousand seven hundred eighty five dollars and no cents (\$10,785.00)**, to me paid in hand, I do hereby release and forever discharge the **City of Saint Paul, the Saint Paul Public Works Department, Sewer Division, their employees**, their representatives, successors, assigns and all other persons, firms and corporations from any liability, claims, actions, causes of action, and demands of any kind, known or unknown, existing or to arise in the future, resulting from or related to any damage, loss or injury sustained by me arising from an incident which took place at or near **786 Wheelock Parkway E, Saint Paul, MN** between **2002 and 2021**.

I rely only on my own judgment in making this release and do not rely on any other person in any way. I understand that this release covers any and all claims: past, present and future – that I may have now, or could have in the future stemming from work done by the released parties. If I felt it necessary, I have consulted an attorney and he/she has reviewed this document and explained it to me.

By signing this document, I agree that I shall be prohibited from bringing any other claims or causes of action against the above named parties for any reason. I also agree that I shall be responsible for all bills, known or unknown, incurred or yet to be incurred, that are as a result of the work referenced above.

The payment of this money is not to be construed as an admission of liability. It represents only the compromise of a doubtful and disputed claim. This release contains the entire agreement between the parties hereto, and the terms of this release are contractual and not a mere recital.
