Good morning Mai,

Joe asked me to clarify and justify the Work Order on this property.

I have attached two photos with highlights indicating points of reference (property boundaries marked with green lines) and location of the debris on 461 Lynnhurst Ave W (circled in red). Markings are in the same locations on the overhead photo and the street view photo.

The green line is the common boundary between 444 & 448 Prior Ave and is visible in both photos.

If you look at the street view photo, with and without the highlights, you can clearly see that the furniture and debris are north of the reference point and definitely north of the southern boundary of the 461 Lynnhurst Ave W parcel.

Please let me know if you have any additional questions.

Thanks,
Dick
