**Subject:** In support of eliminating parking minimums  
**Date:** Friday, August 6, 2021 11:49:24 AM

---

Dear City Councilmembers,

I support the full elimination of parking minimums in the City of St. Paul. This action is a crucial part of addressing climate change in our city. I urge you all to support eliminating parking minimums.

Sincerely,  
Rachel Willson-Broyles, Ward 4 resident
