Subject: Opposition to File #21-271-810 695 Grand Rezoning
Date: Friday, August 6, 2021 9:25:19 PM

Please note that I am in opposition to the 695 Grand Rezoning. The project is too big for the neighborhood. Please follow the the zoning requirements and do not allow this building to exceed the 3 floor maximum.

I implore you to keep this project right sized for the neighborhood.
