Subject: RE: Letter from a Resident

Good Afternoon Council President Brendmoen, Executive Director Antrim, and Janie,

We are going to create a Legislative Hearing file for the resident. We will enter this letter into the record. During the hearing we will recommend the resident moves to the lowest level of service if he wishes to not participate in the required program.

Have a great day,

Chris

I'm curious if he's getting every other week service at least. And honestly, what is he doing with his garbage?

Think Before You Click: This email originated outside our organization.

Hello:

A neighbor stopped by with a letter regarding a garbage assessment and requested I forward it to you. Instead of mailing it I thought it would be easier to scan it and send.

Best:

Kerry
