Subject: 1880 Old Hudson

Hey there Paula,

Vehicles should not be parking on the dirt/grass lot at 1880 Old Hudson. There's a site plan under review for more apartments, no one should park there till after that is built.

I am aware that we have received complaints about the parking on this lot. I do not think "I'm eventually going to develop the lot." Is not an excuse to allow parking to continue. Residents and guests will not be able to park there during or after construction.

They will need fencing for construction and could have put it up when the parking complaint issue started, avoiding the multi-year situation altogether.

I've copied some of the others incase they have other relevant info I'm not aware of.

Well wishes,
Ashley
