Re: Remove or Repair of the Structure at 901 York Avenue

Dear Mr. Redinger:

Legislative Hearings were conducted in the above-referenced matter before Marcia Moermond, Legislative Hearing Officer, and she recommended that the City Council grant an additional 180 days on February 10, 2021 for the nuisance building to be abated by razing and removal or rehabilitation, as evidenced by issuance of a Certificate of Code Compliance.

There will be a Legislative Hearing scheduled for **Tuesday, August 10, 2021 at 10:00 a.m. via telephone as in-person hearing is not feasible at this time** at which DSI staff will present information on the current building conditions and progress toward abatement of the nuisance conditions.

If you received the Certificate of Code Compliance by August 10, 2021, this hearing will be cancelled and a resolution will be forwarded to the City Council indicating the nuisance conditions have been abated and the matter is closed.

If you have *not* received the Certificate of Code Compliance by August 10, 2021, please contact Building Inspector Nathan Bruhn at 651-266-9033 to conduct this inspection to determine percentage of completion before the hearing or for more information, contact Joe Yannerelly at 651-266-1920.

The findings of the Legislative Hearing will be considered at a City Council Public Hearing on **Wednesday, August 25, 2021 at 3:30 p.m. remotely. At that time before noon, please let us know by calling 651-266-8585 if you wish to appeal further and give live testimony at the City Council.**

Sincerely,
/s/
Mai Vang
Legislative Hearing Coordinator
