Unfortunately, we don't have these types of hearing after 3 p.m. If you want me to use your email in lieu of you attending, we can do that. Ms. Moermond will read the case into the record and make her recommendation and if you wish to contest further, you may do the same thing at Council. There is no live testimony at Council though. Only written statement or voicemail is acceptable.

Dear Ms. Vang,

Thank you very much for scheduling the 553 Van Buren hearing tomorrow between 10am - 11:30am and sending documents. I understand you plan to send videos as well.

I would like to ask to reschedule the hearing to a later date that can be scheduled **at or after 3pm**. Due to my current pandemic situation with two babies, I can only be reliably available to attend the hearing **at or after 3pm**. Any date at or after 3pm would work for me.

I would greatly appreciate your consideration. Thank you very much.

Sincerely,

Vivian
