

SPRWS Vehicle Accident Summary 2nd Quarter 2021

2021 Prop Dmg 06/07/21 10:15 A.M. Distribution Division: Distribution Division Dig-out crew was working on SB White Bear Avenue in the right lane loading concrete into a rental tandem dump truck with a backhoe when a larger piece that dropped into the truck caused a smaller piece of concrete to bounce out of the box and onto a passing SUV, damaging its hood. No injuries reported. A claim form was sent to the owner of the SUV.

SPRWSVA 2021-02 Distribution 06/21/2021 8:00 A.M.: Temporary Mains crew laborer was driving truck #628 NB on Sylvan nearing Roselawn following #676 (2nd temporary mains vehicle) when his boot that was wet from working in the wash rack, slipped off the brake pedal and hit the gas pedal, causing #628 to rear-end #676. There were no injuries to either driver. There was no damage to #676, while #628 had just under \$3100.00 damage to its front end.

SPRWSVA 2021-03 Distribution 06/22/2021 8:40P.M.: Temporary Mains crew laborer, driving truck #642 was stopped at a red light on NB Lexington at Energy Park Drive when he was rear-ended by vehicle #2 (Chevrolet Malibu). There were no injuries to either driver. There was no damage to the SPRWS vehicle, while Vehicle #2 had minor damage. SPPD attended the accident scene.
