To: *CI-StPaul_CharterCommission <CharterCommission@ci.stpaul.mn.us>

As a St. Paul resident and a home care worker, please vote yes to forward the Administrative Citations proposal to the City Council. This power would help the city better enforce our minimum wage and sick time ordinances. Wage theft in the home care industry is out of control and hurts woman and people of color. I want my elected representatives to have all the tools they need. I don't want unelected people to block this proposal.
