- The teenagers on the school bus cut across my yard. They can also see everything in my yard. There is no space. I live in a criminal area. Someone broke into my house. The window was broken. In the middle of the night, someone broke my screen door. I have a small business. I have tools there. I removed the cedar fence at the suggestion of a fence company. No company mentioned I needed a variance. This is about safety.

Russian interpreter requested.
