Nathan,
Follow up question, did you allow the property owner to move back in April? PO indicated contractor or you said that she could move in back then. Marcia wants this confirm.

I would love to close this one out. I sent a letter to request a final inspection. To my knowledge the corrections I had at final were not completed since the contractor and the owner are at odds with each other. If the owner wants me to close it out I would since the corrections are fairly minor, but I have not been able to reach her.

Nathan,
We have an appeal tomorrow and from looking in STAMP, looks like all permits are finalized but VB file is still open. Should it be closed? Please confirm.
