Hello Mr. Little,

This vacant building assessment roll went before the Council on September 15. You sent your email to testify on behalf of your client on 9/16 which is the day after. The next course of appeal is at District Court. However, I have related this to the hearing officer and she indicated that we will put together a staff report to be discussed on September 21. This will be done by telephone in which I will call you into the hearing room between 9 and 11 a.m. Please note we have 9 items at the 9:00 session so if you don't hear a call between the time stated, we are running behind. Hopefully, it won't come to that point.

Thank you.
