Hello Mr. Little & Ms. Honish,

After much review of the matter, Ms. Moermond is going to recommend deletion of the vacant building assessment which was heard on September 21 and October 5<sup>th</sup> hearing. We have confirmed that Building Inspector Michael Palm did allow occupancy of the building and there is now a code compliance certificate. This resolution to amend for deletion will be at the November 10<sup>th</sup> City Council Public Hearing Agenda. Due to deletion of the fee, I will assume you are not contesting. If you do, you may submit written testimony to be attached to the November 10<sup>th</sup> Agenda.

Thank you.
