SPC Council:

We firmly and emphatically oppose the assessment for Alley Sweeping, Citywide Street lighting and Street Sweeping. We currently pay a ridiculous amount in property taxes and more Nickle and Diming the citizens of Crocus, Ramsey and Summit Hill homeowners is unacceptable. We cannot continue to bear the tax increases and incremental increases. Where is the money coming from? Where is it going? Our garbage collection is terrible - a D at best. I pay twice as much as I did with a private service and I get a third of the cans. The recycling is lazy and inconsistent. The roads in St Paul are HORRIBLE. Again, where is the money going?? We should receive street cleaning, well lit, SAFE streets and Alley sweeping for fee (which isn't free when you pay \$20,000 in taxes). Enough is enough. Take a look around. Home owners are fleeing St. Paul in record numbers, crime is skyrocketing, Grand Avenue is over-ridden with crime and car jackings. The city has been gutted. Get it together and fix this once beautiful city.

We vote NO!
