**LEGISLATIVE HEARING DISCUSSION ITEMS**

- 35     [RLH SAO 22-47](#)     Appeal of Joseph Dalbec to a Summary Abatement Order and Vehicle Abatement Order at 913 JOHNSON PARKWAY.

*Expectation is to have the property cleaned up by October 11. If that is not done, Council will be asked to authorize the Department of Safety and Inspections to execute a cleanup.*

*Also in attendance: Joseph Dalbec, property owner (by phone)*

*Moermond: This is for several trucks and a pile of scrap material. The order for the cleanup was issued on September 9 with a deadline of September 19. The owner asked for an extension to spring. I am making a recommendation to extend to October 11. This is the 3rd time in 3 years (orders in 2020, 2021, and now 2022) that summary abatement orders have been issued for this similar reason. Extensions have been granted on similar cleanups in the past, and so the owners should know what the expectations are.*

*Councilmember Yang: In the past, when extensions were given, did the resident do the cleanup or did the city have to do the cleanup?*

*Moermond: On at least one occasion the city has had to do at least a partial cleanup. We have had assessments go through for the cleanup.*

*Dalbec: I need more time than I thought I could have. October 11 is not enough time. I'm trying my best. I don't want to have to pay for it.*

*Brendmoen: If you do the work yourself you don't have to pay for it, but if the city does the work the city will bill you.*

*Dalbec: I don't want that. I want to get it done.*

*Yang: I understand that you want more time, but we are already past the original deadline of the order and the additional two weeks should be enough time. Based on the past extensions, I am concerned about a longer extension and I move approval of Moermond's recommendation.*

**Adopted**

**Yea:** 7 - Councilmember Brendmoen, Councilmember Tolbert, Councilmember Noecker, Councilmember Prince, Councilmember Jalali, Councilmember Yang and Councilmember Balenger

**40**     [RLH RR 22-39](#)

Second Making finding on the appealed substantial abatement ordered for 575 PARK STREET in Council File RLH RR 21-71. (Public hearing continued to September 28, 2022)

*Public hearing continued to October 12. If property reaches code compliance by noon on that day, the council will consider returning the remaining \$2,500 performance deposit.*

*Also in attendance: Frank Viggiano, property owner*

*Moermond: This has been before you several times in the past month. The project is past 95% done but plumbing still needs to be completed. The contractor indicated to the owner that the permit was finalized. What I heard from the building official is that the rough in inspection was approved, so the work is not completed done. Because of missed deadlines, the City Council did already forfeit half of the performance deposit. The other half is pending today for non-completion. The building inspector is still checking the status and so I would ask a one-week layover on this. Mr. Viggiano is here and can explain the issue he is having with his contractor.*

*Viggiano: I own 575 and 595 Park St. I currently live in Mahtomedi. We've had a lot of challenges with getting contractors to finish their work on time. I would appreciate if the council could waive the penalties of \$2,500 or \$5,000, whichever it was. We are very close to completion on this.*

*Council President Brendmoen: Are these the only properties you own in St. Paul?*

*Viggiano: I own 6 properties in St. Paul.*

*Councilmember Balenger: I move to keep the public hearing open and continue it to October 12. If the property reaches code compliance by noon on October 12, I will consider supporting a return of the \$2,500 performance deposit.*

*Brendmoen: Does the public hearing need to remain open or should we close it?*

*Moermond: If there is a question of losing additional performance deposit, it would be wise to keep the public hearing open.*

**Public hearing continued to October 12, 2022**

#### **Council Meeting Information**

The City Council is paperless which saves the environment and reduces expenses. The agendas and Council files are all available on the Web (see below). Council members use mobile devices to review the files during the meeting. Using a mobile device greatly reduces costs since most agendas, including the documents attached to files, are over 1000 pages when printed.

#### **Web**

Meetings are available on the Council's website. Email notification and web feeds (RSS) of newly released minutes, agendas, and meetings are available by subscription. Visit [www.stpaul.gov/council](http://www.stpaul.gov/council) for meeting videos and updated copies of the agendas, minutes, and supporting documents.

#### **Cable**

Meetings are live on St Paul Channel 18 and replayed at various times. Check your local listings.
