LEGISLATIVE HEARING DISCUSSION ITEM

- 37 [RLH VO 24-4](#) Appeal of Raj Mehta to a Correction Notice-Complaint Inspection (which includes condemnation) at 220 ROBERT STREET SOUTH.

Condemnation upheld and referred to Legislative Hearing on May 14 to discuss a path for approved use of the space.

Marcia Moermond, Legislative Hearing Officer: I'm not seeing the person here for this item. He called the front desk and said he would be late. He did not ask for a layover. I ask Council to approve my recommendation.

Council President Jalali: Mr. Mehta is not here?

Moermond: No.

Councilmember Noecker: I looked over this earlier. I would have preferred the applicant to be here. I would like to deny the appeal and issue the condemnation of the room, but to provide a path for the applicant to determine conditions under which the room could be utilized for something that is not a large party. Is there a path for that kind of abatement plan?

Moermond: There is a path for that. Just to make a record, this is space within an office building that's been used for after-hours parties that have involved reported gunfire, injuries, alcohol, drug use, and excessive occupancy all in a space that does not have a sprinkler system, fire alarms, smoke detectors, or adequate exiting. It's a recipe for disaster. For this room to be reused, because it has been condemned, we discussed in hearing what that could look like. There is the nuisance abatement plan, which is an old-fashioned thing we used to do where the Police, City Attorney's Office, and (in this case) Fire Inspections could meet with the owner to discuss the owner's proposal on how they would not let these situations happen again. These violations also happened back in 2017. There is advertising stating that the owner himself was using the space after correction notices told him not to do so. Some suggestions could be not allowing use after 9pm or having an alarm to immediately notify the police in an emergency. These could give assurance that public safety is being maintained and that use can happen again.

Noecker: Could we refer to Legislative Hearing in 3-4 months for adoption of a nuisance abatement plan?

Moermond: Sorry, I sidetracked a bit there. I ask that Council vote today to uphold the recommendation on the condemnation and refer the matter to Legislative Hearing in 3 months where we could review an abatement plan. We could then bring a recommended plan back to Council for you to approve, which could serve as a basis for the condemnation being lifted.

Shari Moore, City Clerk: That would be the week of May 13-17.

Noecker: That will be my motion, to make the condemnation effective today but allow a path for the appellant to find a way to have a more suitable use, pending our approval of the outcome of the Legislative Hearing in 3 months.

Public hearing closed, amended, and referred to May 14, 2024 Legislative Hearing

Council Meeting Information

The City Council is paperless which saves the environment and reduces expenses. The agendas and Council files are all available on the Web (see below). Council members use mobile devices to review the files during the meeting. Using a mobile device greatly reduces costs since most agendas, including the documents attached to files, are over 1000 pages when printed.

Web

Meetings are available on the Council's website. Email notification and web feeds (RSS) of newly released minutes, agendas, and meetings are available by subscription. Visit www.stpaul.gov/council for meeting videos and updated copies of the agendas, minutes, and supporting documents.

Cable

Meetings are live on St Paul Channel 18 and replayed at various times. Check your local listings.
