LEGISLATIVE HEARING DISCUSSION ITEM

- 40** [RLH VBR 24-30](#) Appeal of Lakeisha Lee to a Vacant Building Registration Requirement at 273 COTTAGE AVENUE WEST. (Public hearing continued to June 26, 2024 Legislative Hearing)

Vacant building fee waived for 90 days to August 23, 2024 and permits are allowed to be issued once the Code Compliance Inspection Report is issued.

Also in attendance: Lakeisha Lee, appellant, appeared in person

Marcia Moermond, Legislative Hearing Officer: You heard the vacate order on this in May and it was referred to the Vacant Building Program. This is an appeal of the requirement to register for that program. The appeal asked for assistance with the fee and reoccupying the property. My recommendation is waive the fee until August 23, 2024, require that the building get a Code Compliance Inspection Report (CCIR), and require the items found on there to be addressed prior to reoccupation. We discussed on a few occasions that the bill doesn't need to be paid when the waiver expires. The owner can let it go to assessment and payment over time can be discussed.

Lakeisha Lee: I wanted to make you aware that I have a claim open with Allstate. My house has been insured for damage but I've been told no on numerous occasions regarding my claims. I have not been told no on this current claim. I have an estimate of \$1,425 for repair for my roof. My family is still displaced. It's hard to get help repairing the home when I'm not living in it. Since we had to vacate, my house has been broken into twice.

Council President Jalali: It sounds like you will have a 90-day waiver on the fee. Are you supportive of that and does that make sense to you?

Lee: Yes. I need as much time as I can get.

Councilmember Kim moved to close the public hearing. Approved 6-0.

Kim: I appreciate the work on this and move approval of Moermond's recommendation.

55 [RLH TA 24-190](#) Ratifying the Appealed Special Tax Assessment for property at 187 SEVENTH PLACE EAST. (File No. VB2408, Assessment No. 248807)

Assessment ratified and prorated to cover 7 months.

Also in attendance: Greg Sofie, appellant, appeared via call-in.

Marcia Moermond, Legislative Hearing Officer: This is a tax assessment for one year in the Vacant Building Program from August 5, 2023 – August 4, 2024. It left the program in March and my recommendation is to prorate the fee to cover 7 months. That reduces the amount from \$5,000 to \$3,400, approximately. The owner was granted the benefit of waivers on the fee in 2022 and 2023. The last fee was waived for 8 months of the year and this current one had a waiver from August through December 31. These waivers were granted by the Department of Safety and Inspections' (DSI) staff outside of their authority within Legislative Code. The building permit is the issue of contention for the owner, who says that if they had been able to get the inspection done earlier they could have been out of the program back in December. In checking the building permit file, on January 9, 2024 a final inspection did find needed corrections and a further inspection was needed. That took place in March. There was also an argument from the owner that the waiver should have still been in place then. My recommendation is not to waive but rather to pro-rate the fee.

Sofie: I've put hundreds of thousands of dollars into the building. This was an eyesore that we beautified. This took us a while to get done. The City said they would waive the fee if we got it done by the end of the year. Building was complete by mid-December, but we couldn't get an inspector to come out. Everything was fine when they came out in January. Just some issues with a mirror and a microwave. We did what the City told us and completed it by the end of the year. The delay is the City's fault.

Councilmember Noecker moved to close the public hearing. Approved 6-0.

Noecker: Our policy is more stringent than what Moermond is proposing. We don't usually pro-rate fees beyond 6 months. The applicant also received 2 years of waivers. I apologize for any miscommunication during this process. I move approval of Moermond's recommendation.

The City Council is paperless which saves the environment and reduces expenses. The agendas and Council files are all available on the Web (see below). Council members use mobile devices to review the files during the meeting. Using a mobile device greatly reduces costs since most agendas, including the documents attached to files, are over 1000 pages when printed.

Web

Meetings are available on the Council's website. Email notification and web feeds (RSS) of newly released minutes, agendas, and meetings are available by subscription. Visit www.stpaul.gov/council for meeting videos and updated copies of the agendas, minutes, and supporting documents.

Cable

Meetings are live on St Paul Channel 18 and replayed at various times. Check your local listings.
