Approving a 2016 maximum property tax levy for the City of Saint Paul.

Councilmember Brendmoen said Councilmember Thune brought up a good point about the planning process. There are expenses and costs and we should be prepared. She will support the levy. The City grows and it is more expensive to serve. This will be more challenging as we go forward

Councilmember Bostrom said this is the maximum. It does not have to be that high.

Councilmember Stark said he agrees with Brendmoen. There are needs. That is always the case. There is a balancing act in trying to keep taxes low. There are things we wish we could be doing. We will go forth with the rest of the budget process.
