Staff report by Clare Pillsbury: we have emails to add to the record. This is for \$471.24 for quarter 3, 2019 for service for two medium carts and 3 late fees. Appealing because they only have a 90 gallon container and are getting two bills for the medium containers they don't have. We recommend reducing the assessment to \$102.44. The resident shows a photo of one cart with the same serial number as was originally delivered.

Moermond: so recommended. Email her and let her know about the reduction and how to pay it.

02/26/20: Update: Delete the assessment due to double billing.

Staff report from Clare Pillsbury: this had a Legislative Hearing on February 6, 2020 and it was recommended to reduce to \$110, the cost of one 94-gallon container. We reached out to the resident and she stated that she was being double billed as it has two address, 1061 and 1059 Hague, she was paying for two medium containers at both properties.

Moermond: recommend deletion of the assessment.

Referred to the City Council due back on 3/11/2020
