ORDINANCES

An ordinance is a city law enacted by the City Council. It is read at three separate council meetings and becomes effective after passage by the Council and 30 days after publication in the Saint Paul Legal Ledger. Public hearings on ordinances are held at the second reading.

Final Adoption

24 [Ord 22-27](#)

Approving an interim ordinance requesting a Planning Commission study to undertake a zoning study of non-conventional residential housing unit products.

Council President Brendmoen spoke about a potential adjustment to the ordinance which would grant an extension of the effective date by 30 days but require an additional council hearing date due to making a change. Stated that the Council would act in whichever way the stakeholders preferred.

Deputy City Attorney Adam Niblick spoke about how this would provide additional time for state permit approval while the ordinance is in effect.

Gabrielle Clowdus testified that she thought there may have been a miscommunication, and that they already got state approval.

Niblick continued that there were additional approvals needed but it was not clear what they were. Communication came from city building officials concerns about a timeline.

Brendmoen stated that regardless of decision, the city would be there as a partner. She also was unaware of what items were outstanding.

Clowdus appreciated that expression of partnership and testified that the buildings are ready, and the people are ready to move in.

Councilmember Noecker expressed concern about miscommunication and voiced her continued partnership.

Clowdus asked for ten minutes for the stakeholder group to discuss the decision.

Brendmoen tabled the item.

Later, after Item 50, Brendmoen resumed discussion of the item.

Clowdus testified that they wanted to continue moving forward without making any changes to the ordinance.

Noecker moved approval.

LEGISLATIVE HEARING ITEM FOR DISCUSSION**30** [RLH RR 22-23](#)

Ordering the rehabilitation or razing and removal of the structures at 587 COOK AVENUE EAST within fifteen (15) days after the June 8, 2022, City Council Public Hearing. (Refers back to June 28, 2022 pending \$5,000 performance deposit is posted)

Legislative Hearing Officer Marcia Moremond stated that item 30 was to be read into record separately.

Moermond continued, explaining the vacancy of the lot for 17 years. She spoke to the owner, Gerald Krippner, maintaining property tax payments and vacant lot assessments, but has not kept up with requirements needed to rehab the house as a duplex. Recommended removing "only within 15 days" from the resolution, as the owner could not post a \$5,000 performance deposit or secure a partnership to do the rehabilitation.

Council President Brendmoen clarified that the lot has been vacant under the current owner for 14 years.

Gerald Krippner testified, explaining how he came into the property and why the building is in its current state. Presented arguments for not ordering the removal of the structure.

Brendmoen asked for clarification on what action Mr. Krippner preferred from the City.

Krippner stated that he would like the city to keep the property at a vacancy Category 2 to give him more time to rehabilitate or sell the property.

Councilmember Prince asked for details and clarification from Mr. Krippner on the inability to post a \$5,000 deposit.

Krippner continued clarifying that he couldn't post the deposit due to a lack of funds.

Prince moved to close the public hearing. Passed unanimously on a voice vote.

Prince asked Moermond for clarification on if a certain permit had been issued in mid-May.

Moermond continued, explaining that there was not a permit application for the property during that time. And presented other arguments in support of amending the resolution.

Brendmoen clarified that the property is in Ward 6 and just outside Ward 5, and moved approval of the Legislative Hearing Officer's recommendation.
