Staff Comments: When a delinquent balance is turned over to the City, the property owner's account with the garbage hauler will show a zero balance. The City is now responsible for collecting that amount. If a property owner made a payment to their garbage hauler after January 5th, 2019, that payment was applied as a credit on their account. The property owner is still responsible for paying the City any outstanding delinquent balance from Quarter 4 2018.
