Stated Reason for Appeal (if given): 816 ALbert Street North is a Group Residential Housing facility on contract with Ramsey County and part of the 806 North Albert Street property.

Staff Comments: This property is classified as a single family dwelling according to Ramsey County property tax records. The land use code is not commercial. Under citywide garbage service, all residential properties with up to four units, including rental homes and townhomes, are required to have a garbage cart and receive garbage service for each dwelling unit. There is no option to opt out of the citywide garbage service. Residential treatment house but is considered a Res/exempt Single Family Dwelling so still needs one cart. If the property is a commercial property, the property owner should reclassify the property with the Ramsey

County Tax Assessor's office. Once the property is reclassified as a commercial property, it may be removed from citywide garbage service. The property owner is still responsible for the delinquent charge, as garbage service was provided from October through December 2018.
