Stated Reason for Appeal (if given): Property owner stated that they had been in the vacant building program since 06/29/2022. Since their property was vacant during this time period, they don't believe that they should have to pay their assessment.

Staff Comments: Staff records show that there were no unoccupied dwelling registration forms submitted before or during the time period in question. Therefore, staff recommends approving the assessment. The property owner also has a pending assessment for Quarter 3 2022.

WHEREAS, the Office of Financial Services Real Estate Section has attached to this Council File both a report of completion outlining the costs and fees associated with Collection of Delinquent Garbage Bills for services during April to June 2022. and

WHEREAS, the City Council's Legislative Hearing Officer has reviewed an appeal of this assessment and developed a recommendation for the City Council with respect to this assessment; and

WHEREAS, a public hearing having been conducted for the above improvement, and said assessment having been further considered by the Council and having been considered financially satisfactory; Now, Therefore, Be It
