Stated Reason for Appeal (if given): To eliminate over billing and number of necessary garbage cans

assigned to property.

Staff Comments: Under citywide garbage service, all residential properties with up to four units, including rental homes and townhomes, are required to have a garbage cart and receive garbage service for each dwelling unit. Property owners must provide garbage service for all occupied dwellings. There is no option to opt out of the citywide garbage service. This property is registered as a two family dwelling and therefore is required to have two garbage carts on site to recieve garbage hauling services. The assessment is for 1 late payment for the large cart (\$5.12) and 1 late payment for a medium cart (\$4.80). Payment for both carts was not recieved by Waste Management until 08/23/2019 which would cause both to incur one late payment each. Therefore, staff recommends approving assessment.

WHEREAS, the Office of Financial Services Real Estate Section has attached to this Council File both a report of completion outlining the costs and fees associated with Collection of Delinquent Garbage Bills for services
