

sound check at 8:45 a.m. at Shepard Road, Washington to Eagle Street.

2) All electronically powered equipment, PA systems, loudspeakers or similar devices used in conjunction with the event will not exceed 85 dBA as measured 50 feet from any stage or sound source used for music and/or announcements between the hours of 9:00 a.m. until 12:30 p.m., with a pre-event sound check at 8:45 a.m. at Shepard Road, Washington to Eagle Street.

3) The applicant shall provide personnel and equipment to ensure compliance with the variance conditions.

4) Speakers and stage must be directed away from residential use properties. Speakers are to face down the road.

5) All electronically powered equipment, PA systems, loudspeakers or similar devices shall be turned off no later than 12:30 p.m.

FURTHER RESOLVED, that any violations of the conditions set forth above on the October 29, 2016 event date may result in denial of future requests for the grant of a noise variance, in addition to any criminal citation which might issue.

Team Ortho Foundation, Monster Dash Event, represented by Marlene Earll, has requested an exemption from the sound level limitations in Chapter 293.07 in order to present outdoor amplified music and announcements, at Shepard Road, Washington to Eagle Street on Saturday, October 29, 2016, during a Monster Dash Event. Chapter 293.09 provides for the granting of variances from the sound level limitations contained in Chapter 293.07.
