WHEREAS, the interested and responsible parties have been served notice in accordance with the provisions of Chapter 45 of the Saint Paul Legislative Code, of the time, date, place and purpose of the public hearings; and

WHEREAS, a hearing was conducted before the Legislative Hearing Officer of the City of Saint Paul City Council on **October 26, 2010 and November 9, 2010** at which time City staff put the following additional information into the record:

1. This is a one and one-half story, wood frame, single-family dwelling with a detached garage on a lot of 6,534 square feet. According to the file, it's been vacant since May 29, 2009.
2. The City has had to board the building to secure it from trespass. There have been six (6) Summary Abatement Notices since 2009. There have been thirteen (13) Work Orders issued for boarding/securing, removal of tall grass and weeds, removal of snow and ice, and improperly stored refuse, garbage and misc. debris.
