Larisa C. Fershtman appeared.

Inspector Essling reported that the assessment for 1981 Yorkshire Court is for snow and ice removal. The letter was mailed January 18, 2011 with a compliance date of January 21, 2100. It was re-inspected January 24, 2011 and found to be in noncompliance. A Work Order was sent to Parks and the work was done January 25, 2011 for a cost of \$320 plus a service charge of \$140 for a total of \$460. The letter was sent to Peter Fershtman, 1981 Yorkshire and Occupant. There is no video but there is an ariel shot.

Ms. Fershtman stated that she does not have a boulevard area. Every time a snow plow comes by, it dumps all the snow onto the sidewalk. They try to remove the huge ice and hard snow chunks but it's too difficult. Her husband tries to make a pathway but it isn't always possible.

Ms. Moermond will recommend this assessment be deleted.
