3. General Bond Resolution Authorizing the Issuance of Parking Enterprise Revenue Bonds

Mr. Sage-Martinson, HRA Executive Director, stated this item and the next discussion item #4 pertain to the HRAs parking system throughout the City and is a request to refund the bonds issued in 2010 for a lower interest rate. This includes pledged revenue from six ramps and one parking lot. This will continue to pledge \$3 million from the City's meter and fine revenue, which helps increase the credit rating for the bonds. We estimate it to be \$29 million in bonds and interest savings of about \$300,000.

Moved by Commissioner Tolbert, Resolution Approved as set forth in RES 17-1283

5. Resolution Approving the Issuance of Conduit Multifamily Housing Revenue Notes (Euclid View Flats Project); Approving Related Documents; and Adopting a Housing Program, 234 and 238 Bates Avenue, District 4, Ward 7

Mr. Sage-Martinson stated this item and the public hearing item #6 both pertain to the Euclid Flats project located in the Dayton's Bluff Historic District. This proposal is for Sands Company to redevelop the twelve unit historic building. The building is owned by the HRA. There are two changes to the board report sent out to the commissioners. The first change is that the three units listed in the board report as being available at 50% AMI rents will be available, instead, at fair market rents. The difference is approximately \$68 per month per unit. The second change is that Sands Company has offered to maintain the affordability for forty years rather than thirty years. These are conduit bonds so there is no obligation to the City or the HRA.

Megan Carr, Sand Development, shared background and future plans of the project.

Commissioner Prince shared her appreciation and excitement of this project.

Moved by Commissioner Prince, Resolution Approved as set forth in RES 17-1306
