Date	Ver.	Action By	Action	Result
2/15/2011	1	Legislative Hearings	Referred Under Master Resolution	

Appeal of Richard Charlton to a Fire Inspection Correction Notice at 1595 RICE STREET.

Egress windows - We are asking for an appeal because of the overall size of windows. Also the ability to put them in at this time, and the change in policies of width for meeting the requirements.

January 4, 2011

No hearing necessary. Recommend variance on egress window dimensions.
