Appeal of Darleen Tareeq to a Summary Abatement Order at 657 CANTON STREET.

- 1) Due to excessive heat the last 3 days, I need more time to clean my yard as I'm pregnant & have lupus & working in this heat is dangerous to my health.
- 2) About my gas & electric being up to code, I had a fire in my home in November 2021 & my gas & electric was shut off by Xcel Energy. After repairs & inspection by city inspector assigned to my case, Xcel came out & restored my gas & electric so I'm trying to understand what needs to be code compliant. This was in January that it was restored. It's now almost July & I'm being threatened by Category 2 status.
