WHEREAS, the Board of Commissioners (the "Library Board") of the Library Agency has heretofore determined that it is necessary and expedient to issue its General Obligation Library Bonds, Series 2014C (the "Series 2014C Bonds"), in order to secure funds to finance: (i) the current refunding of the 2015 through 2024 maturities of the Library Agency's General Obligation Library Bonds, Series 2004 (the "Series 2004 Bonds"), in the original aggregate principal amount of \$12,280,000 and outstanding in the principal amount of \$9,180,000; (ii) a portion of the cost of the construction, renovation, equipping, and installation of capital improvements to the Library Agency's Highland Park Branch (the "Highland Park Library") and Sun Ray Library Branch (the "Sun Ray Library") that will upgrade both the Highland Park Library and Sun Ray Library to 21st century library standards (the "2014 Library Projects"); and (iii) certain costs of issuance relating to the Series 2014C Bonds.

WHEREAS, the Library Agency, pursuant to a resolution adopted on this date (April 9, 2014) awarded the sale thereof to the initial purchaser; and

WHEREAS, in compliance with the provisions of the Act, the City has adopted an ordinance (the "Ordinance") pledging the full faith, credit and resources of the City to the Series 2014C Bonds; and

WHEREAS, the bylaws of the Library Agency provide for the execution of instruments, including the Series 2014C Bonds, in the manner provided in Chapter 86 of the Saint Paul Administrative Code, by the Mayor and the Director, Office of Financial Services; and

WHEREAS, the City is required by the Library Agency Act and the Ordinance to levy a tax for the payment of the Series 2014C Bonds.

NOW THEREOFRE, BE IT RESOLVED by the Council of the City of Saint Paul, Minnesota, as follows:

Section 1. Amount and Interest Rates. The City Council hereby acknowledges and accepts the amount of the Series 2014C Bonds and the interest rate for each maturity of the Series 2014C Bonds as set forth on Exhibit A hereto and previously approved by the Library Agency.

Section 2. Filing of Resolution. Section 3. Tax Levy.

3.01. Pledge of Tax Levy. For the purpose of paying the principal of and interest on the Series 2014C Bonds, there is levied a direct annual irrevocable ad valorem tax (the "Tax") upon all of the taxable property in the City, to be spread upon the tax rolls and collected with and as part of other general taxes of the City. The Tax will be credited to the Series 2014C General Obligation Library Bonds Debt Service Fund (the "Series 2014C Debt Service Fund") provided in the resolution of the Board of Commissioners of the Library Agency adopted on the date hereof providing for the terms of the sale of the Series 2014C Bonds and shall be established by the Director, Office of Financial Services as financial staff for the Library Agency. ------------------	------------------------	---------------

(See attached EXHIBIT B)

3.02 Overlevy Requirement. It is determined that the estimated collection of the foregoing Tax will produce at least five percent (5%) in excess of the amount needed to meet, when due, the principal and interest payments on the Series 2014C Bonds. The Tax so levied herein will be irrevocable until all of the Series 2014C Bonds are paid, provided that at the time the City makes its annual tax levies the Director, Office of Financial Services may certify to the Auditor of the County (or the official of the City performing the functions of the Auditor of the County) the amount available in the Series 2014C Debt Service Fund to pay principal and interest due during the ensuing year, and the Auditor of the County will thereupon reduce the levy collectible during such year by the amount so certified.

3.03. General Obligation Pledge. If amounts on deposit in the Series 2014C Debt Service Fund are not sufficient to pay principal and interest on the Series 2014C Bonds, as the same become due, the full faith and credit and taxing powers of the City shall be and are hereby irrevocably pledged. If the balance in the Series 2014C Debt Service Fund is ever insufficient to pay all principal and interest then due on the Series 2014C Bonds payable therefrom, the deficiency shall be promptly paid out of any other funds of the City which are available for such purpose, including the general fund of the City, and such other funds may be reimbursed with or without interest from the Series 2014C Debt Service Fund when a sufficient balance is available therein.
