WHEREAS, the Department of Safety and Inspections has requested the City Council to hold public hearings to consider the advisability and necessity of ordering the repair or wrecking and removal of a single story wood frame house and its two stall detached wood frame garage located on property hereinafter referred to as the "Subject Property" and commonly known as 1068 NORTON ST. This property is legally described as follows, to wit:

Alabama Addition No 1st Pau Lots 7 And Lot 8 Blk 1

WHEREAS, based upon the records in the Ramsey County Recorder's Office and information obtained by the Department of Safety and Inspections on or before September 28, 2010, the following are the now known owners, interested or responsible parties for the subject property: Sb Holdings Llc, 5800 E Skelly Dr Suite 1101, Tulsa OK 74135-6448; Jong Yang, 85 Orange Ave W, St Paul MN 55117-4530; MERS c/o Wells Fargo National Assoc, Trustee, PO Box 292190, Lewisville TX 75067; Shapiro, Nordmeyer & Zielke, 12550 W Frontage Road, #200, Burnsville MN 55337; and

WHEREAS, the Department of Safety and Inspections has notified the known owners, interested or responsible parties of the "Order to Abate Nuisance Building(s) pursuant to Saint Paul Legislative Code Chapter 45; and

WHEREAS, this order informed the interested or responsible parties that they must repair or wreck and remove the structures(s) located on the Subject Property by February 23, 2011; and

WHEREAS, the enforcement officer has posted on January 22, 2011, a placard on the Subject Property declaring this building(s) to constitute a nuisance condition, subject to demolition; and

WHEREAS, this nuisance condition has not been corrected and the Department of Safety and Inspections requested the City Clerk schedule public hearings before the Legislative Hearing Officer and the Saint Paul City Council; and

WHEREAS, the interested and responsible parties have been served notice in accordance with the provisions of Chapter 45 of the Saint Paul Legislative Code, of the time, date, place and purpose of the public hearings; and

WHEREAS, a hearing was conducted before the Legislative Hearing Officer of the City of Saint Paul City Council on March 22, 2011 at which time staff put the following information into the record:

1. This is a one-story wood frame single-family dwelling with a detached two-stall garage on a lot of 8,712 square feet and has been a vacant building since June 19, 2008. The current property owner is SB Holdings LLC per Ramsey County Property records.
2. There have been fourteen (14) Summary Abatement Notices since 2008 resulting in fourteen (14) Work Orders issued for: 1) boarding/securing; 2) garbage/rubbish; 3) tall grass/weeds; and 4) snow/ice.
3. On December 8, 2010, an inspection of the building was conducted, a list of deficiencies which constitute a nuisance condition was developed and photographs were taken. An Order to Abate a Nuisance Building was posted on January 21, 2011 with a compliance date of February 23, 2001. As of this date, the property remains in a condition which comprises a nuisance as defined by the legislative code.
4. The Vacant Building registration fees were paid by assessment on 9/17/10.
5. As of March 18, 2011, a Code Compliance Inspection has not been done and the \$5,000 Performance Deposit has not been posted.
6. Real Estate taxes for 2009 and 2010 are delinquent in the amount of \$9,284.92 plus penalty and interest. (2009 - \$3,313.88; 2010 - \$5,971.04; Tax forfeiture is scheduled for 2013). Taxation has placed an estimated market value of \$32,800 on the land and \$76,100 on the building.
7. Code Enforcement officers estimate the cost to repair this structure to exceed \$50,000; the cost to demolish exceeding \$10,000. DSI is seeking a resolution to remove the building.
8. Historic preservation staff report that this structure is a one and a half story bungalow built in 1908 and it could also be classified as a worker's cottage. It has not been surveyed so, there is very little information about this particular property. It runs on a very long north - south double lot. It's the only double lot on this block base so, it's a bit out of character. There was no Sanborn map available on this property. The early character of this neighborhood has much smaller homes and this house is consistent with that. Demolition would not have an adverse effect.

WHEREAS, after reviewing testimony and evidence, the Legislative Hearing Officer made the recommendation to approve the request to order the owners, interested or responsible parties to make the Subject Property safe and not detrimental to the public peace, health, safety and welfare and remove its blighting influence on the community by razing and removing the structure in accordance with all applicable codes and ordinances, which is to be completed within fifteen (15) days after the date of the Council Hearing; and

WHEREAS, a hearing was held before the Saint Paul City Council on April 20, 2011, and the testimony and evidence including the action taken by the Legislative Hearing Officer was considered by the Council; now, therefore, be it

RESOLVED, that based upon the testimony and evidence presented at the above referenced public hearings, the Saint Paul City Council hereby adopts the following Findings and Order concerning the Subject Property at 1068 NORTON ST :
