### SECTION 1

Section 310.18 of the Saint Paul Legislative Code is hereby amended to read as follows:

Sec. 310.18. - License fee schedule.

Notwithstanding the provision of any other ordinance or law to the contrary, the following fees are hereby provided for all the licenses listed herein. These fees supersede all inconsistent provisions, including, but not limited to, graduated fee provisions, in these chapters and in other ordinances and laws, and include the fee for the license application as part of the license fee; provided, however, that this section does not amend or modify sections 310.09(a) or 310.09(d) of the Legislative Code with respect to exempt organizations or late fees. Pursuant to section 310.09(b) of the Legislative Code, these schedules shall be posted in the office of the director. These fees shall be effective for license renewals and new license applications occurring on and after January 1, 1995, or on the effective date of this section, whichever is later; provided, however, that with respect to all licenses whose renewal dates occur after the effective date of this new schedule, there shall be no increases in, nor offsets or refunds of, the existing fees paid, or due and owing.
