Appeal of Brad Oldre to a Fire Inspection Correction Notice at **1795 REANEY AVENUE.**

The house is near a century old. The windows in the upstairs bedrooms are fairly large as is, just not per current code. The expense of replacing the windows would be substantially prohibitive so I am seeking a variance. When we purchased the home, the windows were already in place, and most people would be able to escape through the windows in the event of an emergency.
