**Stated Reason for Appeal (if given):** Property owner had a service hold from 1/5/2021 - 05/30/2021. They stated that they paid their hauler for pick up first week of January. They want to know why they have a pending assessment when they feel they should not have been charged for Quarter 1 2021.

**Staff Comments:** Hauler confirmed that the property owner had made a payment of \$21.05 on 2/17/2021 towards the original invoice of \$98.84, plus a late fee of \$4.74. As the invoice had already been generated for Q1 2021, the property owner should have paid the invoice in full, with the understanding that the hauler would credit them for the time period that the hold was in place. Hauler records confirm that there was a credit of \$57.01 added to the account on 4/5/2021 to cover the time period of 1/5/2021 - 3/31/2021. However, they also requested that staff remove the assessment in full. Therefore staff recommends removing the assessment.

WHEREAS, the Office of Financial Services Real Estate Section has attached to this Council File both a report of completion outlining the costs and fees associated with Collection of Delinquent Garbage Bills for services during January to March 2021. (File No. CG2102A1, Assessment No. 210106) and the assessment roll

including all properties for which these assessments are proposed for Council ratification; and

WHEREAS, the City Council's Legislative Hearing Officer has reviewed an appeal of this assessment and developed a recommendation for the City Council with respect to this assessment; and

WHEREAS, a public hearing having been conducted for the above improvement, and said assessment having been further considered by the Council and having been considered financially satisfactory; Now, Therefore, Be It

RESOLVED, that pursuant to Chapter 14 of the Saint Paul City Charter, said assessment is hereby deleted.
