WHEREAS, the Impound Lot Property is situated in the Mississippi River flood plain and the river is forecasted to continue rising within the next several days and/or weeks, resulting in the City of Saint Paul's declared emergency and the potential flooding of the Impound Lot Property and vehicles stored on it; and

WHEREAS, key provisions of the Lease include a one-month lease term, a \$5,000 per month lease rate, and an indemnification by the City of Sain Paul for any claims, losses, liabilities, damages, penalties, fines and expenses in connection with the SPPD's use of the leased premises; now,

THEREFORE, BE IT RESOLVED, that the City Council hereby authorizes the proper city officials to enter into said Lease with Lessor, and to further negotiate and execute any lease renewals or extensions that may be required as flood conditions warrant.
