Providing for the issuance of and accepting a proposal on the sale of General Obligation Street Reconstruction Bonds, Series 2024B; and levying a tax for the payment of the Series 2024B Bonds.

WHEREAS, the Director, Office of Financial Services, has presented to the Council proposals received for the sale of General Obligation Street Reconstruction Bonds, Series 2024B (the "Series 2024B Bonds"), of the City of Saint Paul, Minnesota (the "City"); and

WHEREAS, the proposals set forth on EXHIBIT C attached hereto were received pursuant to the Terms of Proposal at the offices of Baker Tilly Municipal Advisors, LLC ("Baker Tilly MA"), Municipal Advisor to the City, on the date hereof; and

WHEREAS, the Director, Office of Financial Services, has advised this Council that the proposal of the Purchaser (as defined herein) was found to be the most advantageous and has recommended that said proposal be accepted; and

WHEREAS, the City Council gave its preliminary approval to the issuance of the Series 2024B Bonds by adopting RES 24-29 on January 17, 2024; and

WHEREAS, the City will issue the Series 2024B Bonds pursuant to the Charter of the City (the "City Charter") and Minnesota Statutes, Chapter 475, as amended (the "Municipal Debt Act" or "Act"), including specifically Section 475.58 Subd. 3b; and

WHEREAS, on December 6, 2023, the Council held a public hearing (the "Public Hearing") with respect to the City's 2024-2028 Street Reconstruction Plan (the "SRP") and after the Public Hearing adopted RES PH 23-354 approving the SRP; and

WHEREAS, pursuant to its City Charter and not Minnesota Statutes, Section 429, the City previously specially assessed the cost of the improvements comprising the 2024 Street Projects (defined below) against properties specially benefitted by the 2024 Street Projects, with any excess to be used for any other purpose permitted by law and such special assessments are not specifically pledged to the payment of the Series 2024B Bonds; and

WHEREAS, the proceeds derived from the sale of the Series 2024B Bonds will be used by the City in order to: (i) to finance or reimburse the City for a portion of the costs of various street reconstruction and mill and overlay projects (the “2024 Street Projects”) authorized in the City’s SRP; and (ii) pay costs of issuance relating to the Series 2024B Bonds.

WHEREAS, pursuant to Section 475.60, Subdivision 2(9) of the Municipal Debt Act, public sale requirements do not apply to the Series 2024B Bonds if the City retains an independent municipal advisor and determines to sell the Series 2024B Bonds by private negotiation, and the City has, with the advice of the City’s independent municipal advisor, Baker Tilly MA, instead authorized a competitive sale without publication of notice thereof as a form of private negotiation; and

WHEREAS, proposals for the Series 2024B Bonds have been solicited by Baker Tilly MA pursuant to a Preliminary Official Statement (the “Preliminary Official Statement”) and Terms of Proposal (the “Terms of Proposal”) therein; and

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Saint Paul, Minnesota, as follows:

1. Acceptance of Proposal. The proposal of Piper Sandler & Co. (the “Purchaser”), to purchase the Series 2024B Bonds in accordance with the Terms of Proposal for the bond sale, at the rates of interest hereinafter set forth, and to pay therefor the price of \$8,694,493.11 (the principal amount of the Series 2024B Bonds (\$8,040,000.00), plus net original issue premium of \$675,168.05), less purchaser’s discount of \$20,674.94, is hereby found, determined and declared to be the most favorable proposal received and is hereby accepted for Series 2024B Bonds and the Series 2024B Bonds are hereby awarded to the Purchaser. The City retained the right to increase or reduce the principal amount of the Series 2024B Bonds from the proposed \$8,810,000.00, and the City has determined to reduce the principal amount of the Series 2024B Bonds to \$8,040,000.00. The amount of Series 2024B Bonds authorized to be issued includes the original issue premium of \$675,168.05.

The Director, Office of Financial Services, or designee, is directed to obtain the good faith deposit of the Purchaser. The Director, Office of Financial Services, or designee, on behalf of the City, is directed to execute a purchase agreement/bid form with the Purchaser related to the Series 2024B Bonds.

2. Title; Original Issue Date; Denominations; Maturities. The Series 2024B Bonds shall be titled “General Obligation Street Reconstruction Bonds, Series 2024B” shall be dated as of the date of original issue and shall be issued forthwith on or after such date as fully registered bonds. The Series 2024B Bonds shall be numbered from R-1 upward each shall be in the denomination of \$5,000 each or in any integral multiple thereof of a single maturity. The Series 2024B Bonds shall mature on May 1 on the dates and in the amounts set forth in EXHIBIT B attached hereto and made a part hereof.

3. Purpose. Proceeds derived from the sale of the Series 2024B Bonds along with other certain funds of the City, will be used to: (i) finance or reimburse the City for a portion of the costs of various street reconstruction and mill and overlay projects (the “2024 Street Projects”) authorized in the City’s 2024-2028 Street Reconstruction Plan (the “SRP”); and (ii) pay costs of issuance relating to the Series 2024B Bonds.

4. Interest. The Series 2024B Bonds shall bear interest payable semiannually on May 1 and November 1 of each year (each, an “Interest Payment Date”), commencing November 1, 2024, calculated on the basis of a 360-day year of twelve 30-day months, at the respective rates per annum set forth opposite the maturity dates as set forth on EXHIBIT B.

5. Book-Entry System; Limited Obligation of City.

(a) DTC. The Series 2024B Bonds will be initially issued in the form of a separate single typewritten or printed fully registered Series 2024B Bond for each of the maturities set forth on EXHIBIT B attached hereto. Upon initial issuance, the ownership of each Series 2024B Bond will be registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York, and its successors and assigns (“DTC”). Except as provided in this section, all of the outstanding Series 2024B Bonds will be registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of DTC.

(b) Participants. With respect to Series 2024B Bonds registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of DTC, the City, the Registrar and the Paying Agent will have no responsibility or obligation to any broker dealers, banks and other financial institutions from time to time for which DTC holds Series 2024B Bonds as securities depository (“Participants”) or to any other person on behalf of which a Participant holds an interest in the Series 2024B Bonds, including but not limited to any responsibility or obligation with respect to (i) the accuracy of the records of Cede & Co., DTC or any Participant with respect to any ownership interest in the Series 2024B Bonds, (ii) the delivery to any Participant or any other person (other than a registered owner of Series 2024B Bonds, as shown by the registration books kept by the Registrar), of any notice with respect to the Series 2024B Bonds, including any notice of redemption, or (iii) the payment to any Participant or any other person, other than a registered owner of Series 2024B Bonds, of any amount with respect to principal of, premium, if any, or interest on the Series 2024B Bonds. The City, the Registrar and the Paying Agent may treat and consider the person in whose name each Series 2024B Bond is registered in the registration books kept by the Registrar as the holder and absolute owner of such Series 2024B Bond for the purpose of payment of principal, premium and interest with respect to such Series 2024B Bond, for the purpose of registering transfers with respect to such Series 2024B Bonds, and for all other purposes. The Paying Agent shall pay all principal of, premium, if any, and interest on the Series 2024B Bonds only to or on the order of the respective registered owners, as shown in the registration books kept by the Registrar, and all such payments will be valid and effectual to fully satisfy and discharge the City’s obligations with respect to payment of principal of, premium, if any, or interest on the Series 2024B Bonds to the extent of the sum or sums so paid. No person other than a registered owner of a Series 2024B Bond, as shown in the registration books kept by the Registrar, will receive a certificated Series 2024B Bond evidencing the obligation of this Resolution. Upon delivery by DTC to the City Clerk of a written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the words “Cede & Co.” shall refer to such new nominee of DTC; and upon receipt of such a notice, the City Clerk shall promptly deliver a copy of the same to the Registrar and Paying Agent.

(c) Representation Letter. The City has heretofore executed and delivered to DTC a Blanket Issuer Letter of Representations (the “Representation Letter”) which shall govern payment of principal of, premium, if any, and interest on the Series 2024B Bonds and notices with respect to the Series 2024B Bonds. Any Paying Agent or Registrar subsequently appointed by the City with respect to the Series 2024B Bonds shall agree to take all action necessary for all representations of the City in the Representation Letter with respect to the Registrar and Paying Agent, respectively, to be complied with at all times.

(d) Transfers Outside Book-Entry System. In the event the City, by resolution of the City Council, determines that it is in the best interests of the persons having beneficial interests in the Series 2024B Bonds that they be able to obtain Series 2024B Bond certificates, the City will notify DTC, whereupon DTC will notify the Participants, of the availability through DTC of Series 2024B Bond certificates. In such event the City will issue, transfer and exchange Series 2024B Bond certificates as requested by DTC and any other registered owners in accordance with the provisions of this Resolution. DTC may determine to discontinue providing its services with respect to the Series 2024B Bonds at any time by giving notice to the City and discharging its responsibilities with respect thereto under applicable law. In such event, if no successor securities depository is appointed, the City shall issue and the Registrar shall authenticate Series 2024B Bond certificates in accordance with this Resolution and the provisions hereof shall apply to the transfer, exchange and method of payment thereof.

(e) Payments to DTC. Notwithstanding any other provision of this Resolution to the contrary, so long as a Series 2024B Bond is registered in the name of Cede & Co., as nominee of DTC, payments with respect to principal of, premium, if any, and interest on the Series 2024B Bond and all notices with respect to the Series 2024B Bond shall be made and given, respectively, in the manner provided in DTC's Operational Arrangements, as set forth in the Representation Letter.

6. Redemption Provisions.

(a) Optional Redemption. The City may elect on May 1, 2034, and on any day thereafter, to redeem Series 2024B Bonds due on or after May 1, 2035. Optional redemptions of the Series 2024B Bonds may be in whole or in part and if in part at the option of the City and in such manner as the City shall determine. If less than all Series 2024B Bonds of a maturity are called for redemption, the City will notify DTC (as defined herein) of the particular amount of such maturity to be prepaid. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interests in such maturity to be redeemed. All optional redemptions of the Series 2024B Bonds shall be at a price of par plus accrued interest to the redemption date.

(b) Scheduled Mandatory Redemption. The series 2024B Bond maturing May 1, 2044 is subject to redemption and prepayment at a price of par plus accrued interest, without premium, on the dates and in the amounts set forth below and in Exhibit B hereto:

Series 2024B Bond Maturing May 1, 2044

<u>Sinking Fund Date (May 1)</u>	<u>Principal Amount</u>
2043	\$285,000
2044*	295,000

*Maturity

(c) Selection of Series 2024B Bonds to be Redeemed: Redemption Procedure. In the event any of the Series 2024B Bonds are called for redemption, notice thereof identifying the Series 2024B Bonds to be redeemed shall be given by the Registrar by mailing a copy of the redemption notice by first class mail (postage prepaid) to the registered owner of each Series 2024B Bond to be redeemed at the address shown on the registration books kept by the Registrar and by publishing the notice if required by law. Failure to give notice by publication or by mail to any registered owner, or any defect therein, shall not affect the validity of the proceedings for the redemption of Series 2024B Bonds. Series 2024B Bonds so called for redemption shall cease to bear interest after the specified redemption date, provided that the funds for the redemption are on deposit with the Registrar at that time.

(d) Notice of Redemption. If the Registrar is other than a City officer, upon written receipt by the Registrar of a written notice from the City at least thirty-five (35) days prior to the proposed date of redemption, the Registrar shall call Series 2024B Bonds for optional redemption and prepayment as provided below. Such City request to the Registrar shall specify the series and principal amount of Series 2024B Bonds to be called for redemption and the redemption date.

Mailed notice of optional redemption shall be given to the Paying Agent (if other than a City officer) and to each affected Holder. If and when the City shall call any of the Series 2024B Bonds for redemption and prepayment prior to the stated maturity thereof, the Registrar shall give written notice in the name of the City of its intention to redeem and pay such Series 2024B Bonds at the office of the Registrar. Notice of redemption shall be given by first class mail, postage prepaid, mailed not less than twenty (20) days prior to the redemption date, to each Holder of Series 2024B Bonds to be redeemed, at the address appearing in the

Bond Register. All notices of optional redemption shall state: (i) the redemption date; (ii) the redemption price; (iii) the CUSIP numbers of the Series 2024B Bonds to be redeemed; (iv) if less than all outstanding Series 2024B Bonds are to be redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Series 2024B Bonds to be redeemed; (v) that on the optional redemption date, the redemption price will become due and payable upon each such Series 2024B Bond, and that interest thereon shall cease to accrue from and after said date; (vi) the place where such Series 2024B Bonds are to be surrendered for payment of the redemption price (which shall be the office of the Registrar); and (vii) include a statement that the redemption so noticed is conditioned on sufficient funds being held by the City on or before noon on the applicable redemption date to pay the full redemption price, and if at such time the amount so held is not sufficient to pay all amounts required to effect the noticed redemption in full, the redemption shall be cancelled, with all Series 2024B Bonds tendered for such redemption being returned to the holders thereof and no liability on the part of the City shall arise as a result of such cancellation.

Notices to DTC or its nominee shall contain the CUSIP numbers of the Series 2024B Bonds. If there are any Holders of the Series 2024B Bonds other than DTC or its nominee, the Registrar shall use its best efforts to deliver any such notice to DTC on the business day next preceding the date of mailing of such notice to all other Holders.

7. Registrar. The City Treasurer is hereby appointed as the initial bond registrar and paying agent (the “Registrar” and the “Paying Agent”) for the Series 2024B Bonds. The City Treasurer shall serve as Registrar unless and until a successor Registrar is duly appointed. A successor Registrar shall be an officer of the City or a bank or trust company eligible for designation as Registrar pursuant to the Municipal Debt Act and may be appointed pursuant to any contract the City and such successor Registrar shall execute which is consistent herewith. The Registrar shall also serve as Paying Agent unless and until a successor Paying Agent is duly appointed. Principal and interest on the Series 2024B Bonds shall be paid to the registered holder or holders of the Series 2024B Bonds (the “Holder” or “Holders”) in the manner set forth in the form of the Series 2024B Bonds. The effect of registration and the rights and duties of the City and the Registrar with respect thereto are as follows:

(a) Register. The Registrar shall keep a bond register in which the Registrar provides for the registration of ownership of the Series 2024B Bonds and the registration of transfers and exchanges of the Series 2024B Bonds entitled to be registered, transferred, or exchanged.

(b) Transfer of Series 2024B Bonds. Upon surrender for transfer of a Series 2024B Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Series 2024B Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer after the fifteenth day of the month preceding each interest payment date and until that interest payment date.

(c) Exchange of Series 2024B Bonds. When Series 2024B Bonds are surrendered by the registered owner for exchange, the Registrar shall authenticate and deliver one or more new Series 2024B Bonds of a like aggregate principal amount and maturity as requested by the registered owner or the owner’s attorney in writing.

(d) Cancellation. Series 2024B Bonds surrendered upon transfer or exchange shall be promptly cancelled by the Registrar and thereafter disposed of as directed by the City.

(e) Improper or Unauthorized Transfer. When a Series 2024B Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the Series 2024B Bond until the Registrar is satisfied that the endorsement on the Series 2024B Bond or separate instrument of transfer is valid and genuine and that the

requested transfer is legally authorized. The Registrar shall incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The City and the Registrar may treat the person in whose name a Series 2024B Bond is registered in the bond register as the absolute owner of the Series 2024B Bond, whether the Series 2024B Bond is overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on the Series 2024B Bond and for all other purposes, and payments so made to a registered owner or upon the owner's order shall be valid and effectual to satisfy and discharge the liability upon the Series 2024B Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees, and Charges. The Registrar may impose a charge upon the owner thereof for a transfer or exchange of Series 2024B Bond sufficient to reimburse the Registrar for any tax, fee, or other governmental charge required to be paid with respect to the transfer or exchange.

(h) Mutilated, Lost, Stolen or Destroyed Series 2024B Bonds. If a Series 2024B Bond becomes mutilated or is destroyed, stolen, or lost, the Registrar shall deliver a new Series 2024B Bond of like amount, number, maturity date, and tenor in exchange and substitution for and upon cancellation of the mutilated Series 2024B Bond or in lieu of and in substitution for any Series 2024B Bond destroyed, stolen, or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Series 2024B Bond destroyed, stolen, or lost, upon filing with the Registrar of evidence satisfactory to it that the Series 2024B Bond was destroyed, stolen, or lost, and of the ownership thereof, and upon furnishing to the Registrar an appropriate bond or indemnity in form, substance, and amount satisfactory to it and as provided by law, in which both the City and the Registrar must be named as obligees. Series 2024B Bonds so surrendered to the Registrar shall be cancelled by the Registrar and evidence of such cancellation shall be given to the City. If the mutilated, destroyed, stolen, or lost Series 2024B Bond has already matured or been called for redemption in accordance with its terms, it is not necessary to issue a new Series 2024B Bond prior to payment.

8. Form of Series 2024B Bonds. All of the provisions of the Series 2024B Bonds, when executed as authorized herein, shall be deemed to be a part of this Resolution as fully and to the same extent as if incorporated verbatim herein and shall be in full force and effect from the date of execution and delivery thereof. The Series 2024B Bonds shall be substantially in the form attached to this Resolution as EXHIBIT A, which form is hereby approved, with such necessary and appropriate variations, omissions and insertions (including changes to the aggregate principal amount of each series of the Series 2024B Bonds, the stated maturities of the Series 2024B Bonds, the interest rates on the Series 2024B Bonds, the terms of redemption of the Series 2024B Bonds, and variation from City policies regarding methods of offering general obligation bonds) as the City Treasurer and Director, Office of Financial Services, or their respective deputies, in their discretion, shall determine. The execution of the Series 2024B Bonds with the manual or facsimile signatures of the Mayor, City Clerk and Director, Office of Financial Services, or their respective designee, and the delivery of the Series 2024B Bonds by the City shall be conclusive evidence of such determination.

The City Treasurer is authorized and directed to obtain a copy of the proposed approving legal opinion of Ballard Spahr LLP, as bond counsel to the City, which shall be complete except as to dating thereof and cause the opinion to accompany each Series 2024B Bond.

9. Execution, Authentication and Delivery. The Series 2024B Bonds shall be prepared under the direction of its Mayor, City Clerk and Director, Office of Financial Services, or their respective designees, provided that all signatures may be printed, engraved, or lithographed facsimiles of the originals. In the event of disability or resignation or other absence of any such officer, the Series 2024B Bonds may be signed by the manual or facsimile signature of that officer who may act on behalf of such absent or disabled officer. If an officer whose signature or a facsimile of whose signature appears on the Series 2024B Bonds ceases to be such officer before the delivery of any Series 2024B Bond, that signature or facsimile shall nevertheless be valid and sufficient for all purposes, the same as if the officer had remained in office until delivery.

Notwithstanding such execution, a Series 2024B Bond shall not be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until a certificate of authentication on the Series 2024B Bond has been duly executed by the manual signature of an authorized representative of the Registrar. Certificates of authentication on different Series 2024B Bonds need not be signed by the same representative. The executed certificate of authentication on a Series 2024B Bond is conclusive evidence that it has been authenticated and delivered under this Resolution. When the Series 2024B Bonds have been so prepared, executed, and authenticated, the City shall deliver the same to the Purchaser upon payment of the purchase price in accordance with the contract of sale heretofore made and executed, and the Purchaser is not obligated to see to the application of the purchase price.

10. Temporary Series 2024A Bonds. The City may elect to deliver, in lieu of printed definitive Series 2024B Bonds, one or more typewritten temporary Series 2024B Bonds in substantially the form set forth in EXHIBIT A hereto with such changes as may be necessary to reflect more than one maturity in a single temporary bond. Upon the execution and delivery of definitive Series 2024B Bonds, the temporary Series 2024B Bonds shall be exchanged therefor and cancelled.

11. Rights Upon Transfer or Exchange. Each Series 2024B Bond delivered upon transfer of or in exchange for or in lieu of any other Series 2024B Bond shall carry all the rights to interest accrued and unpaid, and to accrue, which were carried by such other Series 2024B Bond.

12. Registration and Payment. The Series 2024B Bonds will be issued only in fully registered form. The interest thereon and, upon surrender of each Series 2024B Bond, the principal amount thereof, is payable by check or draft issued by the Registrar described herein. Each Series 2024B Bond shall be dated as of the last interest payment date preceding the date of authentication to which interest on the Series 2024B Bonds has been paid or made available for payment, unless: (i) the date of authentication is an interest payment date to which interest has been paid or made available for payment, in which case the Series 2024B Bonds will be dated as of the date of authentication; or (ii) the date of authentication is prior to the first interest payment date, in which case the Series 2024B Bonds will be dated as of the date of original issue. The Series 2024B Bonds shall mature on such dates and in such principal amounts as indicated on EXHIBIT B attached hereto. The Series 2024B Bonds shall bear interest at the rates per annum as indicated on EXHIBIT B attached hereto and shall be payable on each May 1 and November 1, commencing on November 1, 2024 calculated on the basis of a 360-day year of twelve thirty-day months. The interest on the Series 2024B Bonds is payable to the registered owners of record thereof as of the close of business on the fifteenth (15th) day of the immediately preceding month, whether or not such day is a business day.

13. Funds and Accounts. There is hereby created a special fund to be designated the "2024 Street Reconstruction Capital Projects Fund" (numbered C24, the "Capital Fund"), to be administered and maintained by the City Treasurer as a bookkeeping account separate and apart from all other accounts maintained in the official financial records of the City. There is hereby created and established the "General Obligation Street Reconstruction Bonds - 2024B Debt Service Fund" (the "Debt Service Fund"). The Capital Fund, the Debt Service Fund and any other accounts or subaccounts established by the City Treasurer shall be maintained in the manner herein specified until the Series 2024B Bonds and the interest thereon has been fully paid:

(a) Capital Fund. To the Capital Fund there shall be credited the proceeds of the sale from the Series 2024B Bonds and all of the sources of funding for the 2024 Street Projects and funds transferred there by the Director, Office of Financial Services from such project accounts available to be applied to the 2024 Street Projects. From the Capital Fund there shall be paid all costs and expenses of making the 2024 Street Projects listed in the SRP and the cost of issuance of the Series 2024B Bonds, after they have been ordered in accordance with the City Charter, including the cost of any construction contracts heretofore let and all other costs incurred and to be incurred of the kind authorized in Section 475.65 of the Municipal Debt Act (including interest on the Series 2024B Bonds payable during the construction period); and the money in the Capital Fund shall be used for no other purpose except as otherwise provided by law; provided that the proceeds of the Series 2024B Bonds may also be used to the extent necessary to pay interest on the Series 2024B Bonds

due prior to the anticipated date of commencement of the collection of the Tax (as defined below); and provided further that if upon completion of the 2024 Street Projects there shall remain any unexpended balance in the Capital Fund, the balance may be transferred by the Council to the fund of any other street reconstruction project contained in the SRP, the costs of any other purpose permitted by law, or transferred to the Debt Service Fund. All earnings on the Capital Fund shall be transferred to the Debt Service Fund, or may be retained in the Capital Fund, as determined by the Director, Office of Financial Services. The Director, Office of Financial Services is authorized to pay the cost of issuance of the Series 2024B Bonds from the Capital Fund.

(b) Series 2024B Debt Service Account. There is hereby pledged and there shall be credited to a special account relating to the Series 2024B Bonds (the "Series 2024B Debt Service Account") in the Debt Service Fund: (a) all accrued interest, if any, received upon delivery of the Series 2024B Bonds; (b) any collections of the Tax; (c) all funds remaining in the Capital Fund after completion of the 2024 Street Projects and payment of costs of issuance relating to the Series 2024B Bonds, that the Director, Office of Financial Services or designee determines should be transferred to the 2024B Debt Service Fund, and payment of the costs thereof, not so transferred to the account of another improvement or used to pay the costs of any other purpose permitted by law; (d) original issue premium of the Series 2024B Bonds determined by the City Treasurer to be deposited therein; and (e) all investment earnings on money held in the 2024B Debt Service Fund or (at the City's option) on money held in the Capital Fund; and if money in the 2024B Debt Service Fund should ever be insufficient to pay debt service on the Series 2024B Bonds, the Series 2024B Bonds shall be paid from the general fund of the City. The City may also deposit into the 2024B Debt Service Fund, but is not required to do so, any collections of special assessments levied with respect to the 2024 Street Projects. Amounts drawn from the 2024B Debt Service Fund may be repaid with or without interest when money sufficient for such repayment is deposited in the 2024B Debt Service Fund.

The 2024B Debt Service Fund shall be used solely to pay the principal of and interest on the Series 2024B Bonds and any other general obligation bonds of the City heretofore or hereafter issued by the City and made payable from the 2024B Debt Service Fund as provided by law, or to pay any rebate due to the United States. No portion of the proceeds of the Series 2024B Bonds shall be used directly or indirectly to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except (1) for a reasonable temporary period until such proceeds are needed for the purpose for which the Series 2024B Bonds were issued, and (2) in addition to the above in an amount not greater than five percent (5%) of the proceeds of the Series 2024B Bonds. To this effect, any sums from time to time held in the Capital Fund or in the 2024B Debt Service Fund (or any other City fund or account which will be used to pay principal or interest to become due on the Series 2024B Bonds payable therefrom) in excess of amounts which under then-applicable federal arbitrage regulations may be invested without regard as to yield shall not be invested at a yield in excess of the applicable yield restrictions imposed by said arbitrage regulations on such investments after taking into account any applicable "temporary periods" or "minor portion" made available under the federal arbitrage regulations. In addition, the proceeds of the Series 2024B Bonds and money in the Capital Fund or in the 2024B Debt Service Fund shall not be invested in obligations or deposits issued by, guaranteed by or insured by the United States or any agency or instrumentality thereof if and to the extent that such investment would cause the Series 2024B Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the federal Internal Revenue Code of 1986, as amended (the "Code").

(c) Other Accounts and Subaccounts. The City Treasurer is hereby authorized to create such accounts or subaccounts within the Capital Fund and the 2024B Debt Service Fund (and accounts and subaccounts therein) to properly administer such funds and accounts and to assure compliance with the preceding paragraphs, and paragraph (c) below. Specifically, the City Treasurer may create separate accounts and subaccounts to hold and apply the proceeds of the Series 2024B Bonds and revenues for the payment thereof.

(d) Arbitrage Restrictions. The money in the funds shall be used solely as provided herein, or to pay any rebate due to the United States. No portion of the proceeds of the Series 2024B Bonds shall be used

directly or indirectly to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except (i) for a reasonable temporary period until such proceeds are needed for the purpose for which the Series 2024B Bonds are issued, and (ii) in addition to the amounts referred to in clause (i) in an amount not greater than \$100,000. To this effect, any proceeds of the Series 2024B Bonds and any sums from time to time held in the Series 2024B Debt Service Account for the Series 2024B Bonds (or any other City account which will be used to pay principal or interest to become due on the Series 2024B Bonds) in excess of amounts which, under then applicable federal arbitrage regulations, may be invested without regard as to yield shall not be invested at a yield in excess of the applicable yield restrictions imposed by said arbitrage regulations on such investments after taking into account any applicable “temporary periods” or “minor portion” made available under the federal arbitrage regulations. In addition, the proceeds of the Series 2024B Bonds and money allocated to the Series 2024B Bonds in the Series 2024B Debt Service Fund shall not be invested in obligations or deposits issued by, guaranteed by, or insured by the United States of America, or any agency or instrumentality thereof, if and to the extent that such investment would cause the Series 2024B Bonds to be deemed to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

(e) Allocation of Investment Earnings. Investment earnings, net of rebatable arbitrage, shall be credited to the fund or account from which the investment was made.

14. Pledge of Tax Levy and General Obligation Pledge. For the prompt and full payment of the principal of and interest on the Series 2024B Bonds, and the other obligations of the City under this Resolution, the full faith, credit and taxing powers of the City shall be and are hereby irrevocably pledged. If the balance in the 2024B Debt Service Fund is ever insufficient to pay all principal and interest then due on the Series 2024B Bonds payable therefrom, the deficiency shall be promptly paid out of any other funds of the City which are available for such purpose, including the general fund of the City and the 2024B Debt Service Fund and the special accounts created therein, and such other funds may be reimbursed with or without interest from the 2024B Debt Service Fund when a sufficient balance is available therein.

For the purpose of paying the principal of and interest on the Series 2024B Bonds, there is levied a direct annual irrevocable ad valorem tax (the “Tax”) upon all of the taxable property in the City, to be spread upon the tax rolls and collected with and as part of other general taxes of the City. The Tax will be credited to the 2024B Debt Service Fund above provided and shall be established by officials of the City after the award of the Series 2024B Bonds and determination of the interest rates on the Series 2024B Bonds. The Tax shall be levied and collected for the Series 2024B Bonds in the years and in the amounts as follows:

<u>Levy Year</u>	<u>Collection Year</u>	<u>Amount</u>
------------------	------------------------	---------------

(See attached EXHIBIT B)

All amounts on deposit in the various funds and accounts created under this Resolution for the Series 2024B Bonds are hereby pledged to the payment of the principal of and interest on the Series 2024B Bonds.

15. Appropriation. The City covenants to pay debt service on the Series 2024B Bonds through the end of calendar year 2024 under this Resolution. The City also covenants to make the necessary appropriations required in future fiscal years of the City (and budget the necessary funds in future budgets) in order to pay when due the debt service on the Series 2024B Bonds.

16. Tax Levy; Coverage Test. The Tax shall be irrevocable so long as any of the Series 2024B Bonds are outstanding and unpaid, provided that the City reserves the right and power to reduce the levies in the manner and to the extent permitted by Section 475.61, Subdivision 3 of the Municipal Debt Act.

The tax levies are such that if collected in full they, together with estimated collections of special assessments and other revenues herein pledged for the payment of the Series 2024B Bonds, will produce at

least five percent (5%) in excess of the amount needed to meet when due the principal and interest payments on the Series 2024B Bonds. The tax levies shall be irrevocable so long as any of the Series 2024B Bonds are outstanding and unpaid, provided that the City reserves the right and power to reduce the levies in the manner and to the extent permitted by Section 475.61, Subdivision 3 of the Municipal Debt Act. Exhibit D to this Resolution shows the tax levies for the Series 2024B Bonds.

17. Certificate of Registration. The City Treasurer is authorized and directed to file a certified copy of this Resolution with the Auditor of Ramsey County (the "Auditor") (or the official of Ramsey County performing the functions of the Auditor) and to obtain the certificate required by Section 475.63 of the Municipal Debt Act, as amended.

18. Records and Certificates. The officers of the City are authorized and directed to prepare and furnish to the Purchaser and to Ballard Spahr LLP, as bond counsel to the City, certified copies of proceedings and records of the City relating to the Series 2024B Bonds and to the financial condition and affairs of the City, and such other certificates, affidavits and transcripts as may be required to show the facts within their knowledge or as shown by the books and records in their custody and under their control, relating to the validity and marketability of the Series 2024B Bonds, and such instruments, including any heretofore furnished, will be deemed representations of the City as to the facts stated therein.

The City may execute documents, certificates, and instruments relating to the issuance of the Series 2024B Bonds by electronic signature. For purposes hereof: (i) "electronic signature" means a manually signed original signature that is then transmitted by electronic means; and (ii) "transmitted by electronic means" means sent in the form of a facsimile or sent via the internet as a portable document format ("pdf") or other replicating image attached to an electronic mail or internet message; or (iii) a digital signature of an authorized representative of any party provided by AdobeSign or DocuSign (or such other digital signature provider as specified by such party).

19. Negative Covenants as to Use of Proceeds. The City hereby covenants not to use the proceeds of the Series 2024B Bonds, or to cause or permit them to be used, in such a manner as to cause the Series 2024B Bonds to be "private activity bonds" within the meaning of Sections 103 and 141 through 150 of the Code. The City reasonably expects that no actions will be taken over the term of the Series 2024B Bonds that would cause them to be private activity bonds, and the average term of the Series 2024B Bonds is not longer than reasonably necessary for the governmental purpose of the issue. The City hereby covenants not to use the proceeds of the Series 2024B Bonds in such a manner as to cause the Series 2024B Bonds to be "hedge bonds" within the meaning of Section 149(g) of the Code.

20. Tax-Exempt Status of the Series 2024B Bonds; Rebate; Elections. The City will comply with requirements necessary under the Code to establish and maintain the exclusion from gross income of the interest on the Series 2024B Bonds under Section 103 of the Code, including, without limitation, requirements relating to temporary periods for investments and limitations on gross proceeds invested at a yield greater than the yield on the Series 2024B Bonds, and rebate of excess investment to the United States.

If any elections are available now or hereafter with respect to arbitrage or rebate matters relating to the Series 2024B Bonds, the Mayor and Director, Office of Financial Services (or their proper designees), or any of them, are hereby authorized and directed to make such elections as they deem necessary, appropriate or desirable in connection with the Series 2024B Bonds, and all such elections shall be, and shall be deemed and treated as, elections of the City.

21. No Designation of Qualified Tax-Exempt Obligations. The Series 2024B Bonds, together with other obligations issued by the City in 2024, exceed in amount those which may be qualified as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code, and hence are not designated for such purpose.

22. Official Statement. There has been submitted to this City Council the form of the Preliminary Official Statement. The use and distribution of the Preliminary Official Statement and of a final Official Statement (collectively, the "Official Statement") by the Purchaser in connection with the offer and sale of the Series 2024B Bonds is hereby approved. The Mayor, Director, Office of Financial Services, and City Treasurer and/or Debt Manager (or their proper designees) are authorized and directed to certify that they have examined the Official Statement, and that to the best of their knowledge and belief the Official Statement is a complete and accurate representation of the facts and representations made therein as of the date of the Official Statement and that the Official Statement does not, at the date of closing, and did not, as of its date, contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

23. Continuing Disclosure. In order to satisfy the continuing disclosure requirements of Rule 15c2-12(b)(5), 17 CFR §240.15c2-12, promulgated by the Securities Exchange Commission under the Securities Exchange Act of 1934, as amended, the appropriate officials of the City are hereby authorized and directed to execute and deliver a continuing disclosure undertaking substantially in the form of the Continuing Disclosure Certificate set forth in the Official Statement (the "Continuing Disclosure Certificate"). The Continuing Disclosure Certificate is hereby approved with such changes, modifications, additions, and deletions as shall be necessary and appropriate and approved by the City Attorney and Ballard Spahr LLP, as bond counsel to the City.

24. Severability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

25. Headings. Headings in this resolution are included for convenience of reference only and are not a part hereof, and shall not limit or define the meaning of any provision hereof.
