1. The licensee shall provide and maintain working video surveillance cameras and recorders on the premises (both inside and outside) in accordance with Saint Paul Police Department (SPPD) recommendations. The number of cameras, their placement and their quality must be approved by SPPD; and there shall be adequate lighting to support the camera placement. This equipment must be

Tapes/recordings must be maintained for a minimum of thirty (30) days, and there shall be an employee on-staff at all times with the ability to make them immediately available to the SPPD and/or the Department of Safety and Inspections (DSI) upon request. 2. The licensee shall provide an adequate security staff from 9:30 p.m. until 2:30 a.m. (or until all customers/patrons have left the premises, including the parking lot area) every Friday and Saturday night to ensure a safe and secure environment for the public and their employees. Security personnel are in addition to bartenders, servers, and cooks (staff assigned to these duties are not considered part of the security staff), and shall wear clothing that clearly identifies them as security. The licensee and security staff shall be responsible for monitoring both the interior and exterior of the premises, and shall patrol the parking lot area on a regular basis.
3. Last call shall be given no later than 1:30 a.m., and the licensee shall ensure that all patrons have left the premises (including the parking lot area) no later than 2:30 a.m.
4. The license holder or security shall immediately notify police of any individuals engaging in unlawful behavior or suspected unlawful behavior.

This includes maintaining the striping of the parking lot, compact and handicap parking space signage, vehicle curb-stop parking barriers, trash container fencing, and bike rack.
