DISCUSSION

4. Authorizing the Issuance, Sale and Delivery of Multifamily Housing Revenue Refunding Bonds in an Aggregate Principal Amount not to Exceed \$5,695,000 and the Execution and Delivery of all Documents Necessary for the Issuance of the Bonds (The Wellington Project) Ward 3, District 15.

Ms. Cecile Bedor, Executive Director for the HRA stated that in October 1984, the HRA issued \$6,125,000 in Housing Revenue Bonds, the proceeds of which were used by the developer to acquire and construct a 107-unit senior housing project at 2235 West Rockwood Avenue in Highland Park.

In 1999, the HRA issued \$9 million to refund the 1984 bonds, expanding the project to 122 housing units.

The current owner/borrower is requesting the tax-exempt refunding to reduce the interest rate and thus reduce their debt service.

This is a conduit bond issue, and thus will not constitute any liability whatsoever on the part of the HRA or City of Saint Paul.

Barb Portwood with Leonard Street and Deinard, and Stuart Nolan (project owner) were at the meeting to take any questions.

Commissioner Tolbert moved approval. Approved as set forth in resolution RES 12-1824.
