WHEREAS, the Department of Safety and Inspections has requested the City Council to hold public hearings to consider the advisability and necessity of ordering the repair or razing and removal of a two story, wood frame duplex and its two stall, wood frame, detached garage located on property hereinafter referred to as the "Subject Property" and commonly known as 936 EARL STREET. This property is legally described as follows, to wit:

Dawsons Earl St Addition Lot 25 Blk 71

WHEREAS, based upon the records in the Ramsey County Recorder's Office and information obtained by the Department of Safety and Inspections on or before December 5, 2010, the following are the now known owners, interested or responsible parties for the subject property: Federal National Mortgage Assoc, 3415 Vision Dr, Columbus OH 43219-6009; Brian Herrick and Jennie Semler, 396 Dewey St #1, St Paul MN 55104-3877; Prodigy Real Estate , 2035 County Road D East Ste E , Maplewood MN 55109; Usset & Weingarden,

WHEREAS, the Department of Safety and Inspections has notified the known owners, interested or responsible parties of the "Order to Abate Nuisance Building(s) pursuant to Saint Paul Legislative Code Chapter 45; and

WHEREAS, this order informed the interested or responsible parties that they must repair or raze and remove the structures(s) located on the Subject Property by April 4, 2011; and

WHEREAS, the enforcement officer on March 3, 2011 posted a placard on the Subject Property declaring this building(s) to constitute a nuisance condition, subject to demolition; and

WHEREAS, this nuisance condition has not been corrected and the Department of Safety and Inspections requested the City Clerk schedule public hearings before the Legislative Hearing Officer and the Saint Paul City Council; and

WHEREAS, the interested and responsible parties have been served notice, in accordance with the provisions of Chapter 45 of the Saint Paul Legislative Code, of the time, date, place and purpose of the public hearings; and

WHEREAS, hearings were conducted before the Legislative Hearing Officer of the City of Saint Paul City Council on May 10, May 24, and July 26, 2011 at which time staff put the following information into the record:

1. This is a two-story, wood frame duplex with a detached two-stall garage on a lot of 3,920 square feet and has been vacant since March 26, 2010;
2. The current property owner is Federal National Mortgage Association per Ramsey County Property records;
3. There have been five (5) Summary Abatement Notices since 2010 and four (4) Work Orders for garbage/rubbish, tall grass/weeds, snow/ice, and boarding/securing;
4. On February 17, 2010, an inspection of the building was conducted, a list of deficiencies which constitute a nuisance condition was developed and photographs were taken. An Order to Abate a Nuisance Building was posted on March 2, 2011 with a compliance date of April 4, 2011. As of this date, this property remains in a condition which comprises a nuisance as defined by the legislative code;
5. The Vacant Building registration fees were paid by assessment on April 22, 2011. Taxation has placed an estimated market value of \$9,900 on the land and \$62,900 on the building;
6. A Code Compliance inspection was done on March 10, 2011 and as of May 6, 2011, the \$5,000 performance deposit has not been posted;
7. Real Estate taxes are current;
8. Code Enforcement officers estimate the cost to repair this structure starting between \$40,000 and \$50,000; the cost of demolition starting between \$10,000 and \$12,000; and
9. Heritage Preservation Commission (HPC) and Planning and Economic Development (PED) staff reported that this is a 2-1/2 story ornate Victorian era probably built in 1889 (record not clear) at a cost of \$1,800. This is very prominent high-style architecture similar to the one across the street. It still has context in this immediate area and it still has a lot of integrity from the exterior. The wood siding is still there, a lot of the windows are still there. It has a unique triple-arched window on the front elevation and a projecting bay with a corner tower. It was surveyed in 1983. Because of all the potential, an extensive survey would need to be done to find out if it were worthy of designation. A photo revealed that the original old fireplace and mantel are gone.

WHEREAS, after reviewing testimony and evidence, the Legislative Hearing Officer made the recommendation to approve the request to order the owners, interested or responsible parties to make the Subject Property safe and not detrimental to the public peace, health, safety and welfare and remove its blighting influence on the community by rehabilitating this structure in accordance with all applicable codes

and ordinances, or in the alternative by razing and removing the structure in accordance with all applicable codes and ordinances, which is to be completed within fifteen (15) days after the date of the Council Hearing; and

WHEREAS, hearings were held before the Saint Paul City Council on June 1, 2011 and August 3, 2011 and the testimony and evidence including the action taken by the Legislative Hearing Officer was considered by the Council; Now, Therefore, Be It
