

- 1) The variance will be for the Team Ortho Foundation Monster Dash Event to present outdoor National Anthem music and announcements with speakers on October 29, 2016 from 8:00 a.m. until 9:00 a.m., with a pre-event sound check at 7:45 a.m. by Summit Avenue near Nina to Selby, and by Cathedral Hill Park.
- 2) All electronically powered equipment, PA systems, loudspeakers or similar devices used in conjunction with the event will not exceed 80 dBA as measured 50 feet from any stage or sound source used for music and/or announcements between the hours of 8:00 a.m. until 9:00 a.m., with a pre-event sound check at 7:45 a.m. by Summit and Nina to Selby and by Cathedral Hill Park.
- 3) The applicant shall provide personnel and equipment to ensure compliance with the variance conditions.
- 4) Speakers and stage must be directed away from residential use properties, and speakers are placed angled facing down the road for the Summit and Nina to Selby Area and towards St Paul College for the Cathedral Hill Park Area.
- 5) All electronically powered equipment, PA systems, loudspeakers or similar devices shall be turned off no later than 9:00 a.m.

FURTHER RESOLVED, that any violations of the conditions set forth above on the October 29, 2016 event date may result in denial of future requests for the grant of a noise variance, in addition to any criminal citation which might issue.

Team Ortho Foundation, Monster Dash Event, represented by Marlene Earll, has requested an exemption from the sound level limitations in Chapter 293.07 in order to present outdoor National Anthem music and announcements, with limitations, at Summit near Nina to Selby, and by Cathedral Hill Park from 8:00 a.m. to 9:00 a.m., with a pre-event sound check at 7:45 a.m. on Saturday, October 29, 2016, during the Monster Dash Race Event. Chapter 293.09 provides for the granting of variances from the sound level limitations contained in Chapter 293.07.
