Appeal of Mary-Megan Ehrmantraut for Lexington Kids Child Care to a Correction Notice - Child Care Center Inspection at 701 LEXINGTON PARKWAY NORTH.

We have had a school-age program for 12 years. We sold a building and need to move to our current classroom. The fire inspector said we needed to put fire sprinklers in before we used the space. We were wanting to know if we could be grandfathered in or receive a variance. We are in a brick building with 2 exits. Thank you.

Is there any connection between the sprinkler/alarm requirement and the building work done last fall? -MM
