Appeal of Waymon O. Lolar to a Fire Certificate of Occupancy Inspection Correction Notice at 593 MARSHALL AVENUE.

Double hung escape window - House is designated historical. Change to window would effect the property and is not permitted without approval by historical preservation societies. We are asking for variance on the windows.

Chimneys - Need more time due to time of year and finances.

Back steps - Need more time due to time of year.

Garage - Is not attached to the house and the roof is not leaking. I don't have the finances to replace the roof this year. We are asking for time to replace roof due to finances. (paraphrased)
